Insurance information: According to the statutes of Cercle Sportif (of which F&S Luxembourg is a part) all participants are obliged to underwrite an insurance, which in French is called "Responsabilité Civile Familiale" (third party liability insurance), in case a participant causes bodily harm to another participant. Non EU officials are also advised to underwrite an insurance, which in French is called "Blessures résultant de la pratique d'un sport" (insurance covering bodily harm arising from doing sports) since this is not covered by the "Caisse de Maladie".
